

NATURE BALUSTRADE

The product

With its randomly placed bars, NATURE balustrade brings a touch of nature to your environment, with a design recalling bamboo.

Contemporary and stylish, it adapts to all types of spaces, offering a wide choice of heights and colours.

The bars are welded to the horizontal rails, giving the fence great rigidity.

Its anti-corrosion coating, combined with the quality of the materials, gives the NATURE balustrade durability and strength.

Characteristics

Grey 7016 ● Green 6005 ● Black 9005 ● White 9016 ○ Other colours upon request ●

- 40 x 40 x 1,5 mm horizontal crossbars
- Ø 25 mm vertical bars - 1,5 mm thickness - random placement
