

BRICO RITMO 4/5 FENCE PANEL

The product

Fence panels made of welded mesh with multiple folds for greater rigidity.

Posts with notched profiles for easy installation.

Panels fit directly into the notches of the posts, which are designed to accommodate and adjust the mesh.

Ideal fencing for residential, industrial, sensitive sites, natural areas, public spaces or sports facilities.

Characteristics

Grey 7016 ● Green 6005 ● Black 9005 ● White 9010 ○
