

RITMO SWING GATE

The product

With their adjustable hinges allowing perfect adjustment of the leaves, RITMO gates and side gates are particularly popular for enclosing sport areas.

Available in 1 or 2 leaves, in 200x55x5 mm welded mesh profiles and in multiple finishes.

Lightweight and offering excellent value for money, they are all equipped with high-end Locinox aluminium locks and strike plates.

Their anti-corrosion coating gives them significant durability.

CE-licensed gates

Characteristics

Grey 7016 ● Green 6005 ● Black 9005 ● White 9010 ○
