

CALITAX BALUSTRADE

The product

Sobriety and quality for CALITAX barrier fence, ideal for residential areas, public spaces, natural sites and administrative buildings.

With its anti-corrosion coating, rigid metal profiles and secure non-removable screws, CALITAX fence is a particularly robust product.

Its attachment to posts, using a unique model of metal brace bands, makes it easy to change the direction and angle of the fence and ensures easy installation on sloping ground or terraces.

Its posts, made of galvanised and powder coated steel, are equipped with polypropylene caps that can resist external aggressions.

Characteristics

Grey 7016 ● Green 6005 ● Black 9005 ● White 9016 ○ Other colours upon request ●

- 35 x 35 x 1,5 mm vertical bars, 99 mm spacing
