

DECOR BALUSTRADE

The product

DECOR barrier fence is ideal for fencing off residential areas with its stylish design.

It also blends into natural environments, such as parks, but also, thanks to its solid and robust appearance, into some industrial areas.

The panels and round posts are assembled using flexible metal brace bands, allowing the orientation to be changed and the fence to be installed on inclined ground.

Characteristics

Grey 7016 ● Green 6005 ● Black 9005 ● White 9016 ○ Others colours upon request ●

- Panel with 40 x 40 x 1,5 mm horizontal rails and Ø 20 x 1,5 mm round profile bars
- Can be combined with a gate and/or side gate in the same design
- Available in round or square posts
- Weather-resistant polypropylene caps
- Installation by sealing or on a base plate
- Rounded part above the upper rail : 150 mm
- Space between 2 curved bars : 92 mm
