

CORRUGATED WIRE MESH

The product

Vintage and decorative style for corrugated wire mesh that impresses with its rigidity and adaptability to different types of environments.

Particularly popular for fencing off public and natural spaces, it's also suitable for residential and industrial areas.

This product is made in our workshops with passion and thanks to historical know-how, passed down from generation to generation.

Characteristics

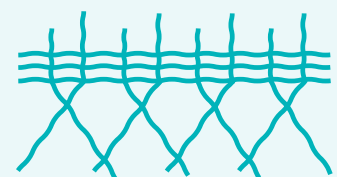

Duralinox ● Galvanised ● Green 6005 ● Black 9005 ● White 9010 ○ Grey 7016 ●

- Chain reinforcements at the top and bottom of the mesh to strengthen the fence
- Delivered in rolls or panels depending on dimensions
- Available in 2 finishes :
 - Defensive border with spikes at the top of the fence, giving it a strong dissuasive effect. Mesh : 50 mm. Maximum height : 2,50 m.
 - Parisian border, ou garland, with arches at the top for a decorative touch. Mesh : 55 mm. Maximum height : 1,50 m.
