

PITCH BARRIER

The product

Pitch barrier is designed to delimit playing areas and prevent balls from leaving the sport fields.

The ultimate stadium fence, pitch barrier can be fitted with chain link fence or rigid fence panels or left bare.

Made of steel posts and round tube rails joined with aluminium connectors. Depending on customer requirements, it can be combined with a gate, a side gate or a sliding door.

Characteristics

Galvanised ● Charcoal grey 7016 ● Green 6005 ● Black 9005 ● White 9010 ○

- 2,50 m rail and 1 m above-ground posts, Ø 60 mm
