

NYLOFOR® 3D ESSENTIAL FENCE PANEL

The product

3D Essential fence panel is a great product for providing long-lasting, aesthetic security for outdoor spaces.

This fence panel from Betafence is particularly suited for residential, natural and public environments. Multipurpose product, it's an economical and durable solution for fencing spaces.

Depending on the panel's orientation or the protection requirements, it will have defensive spikes on the top or bottom.

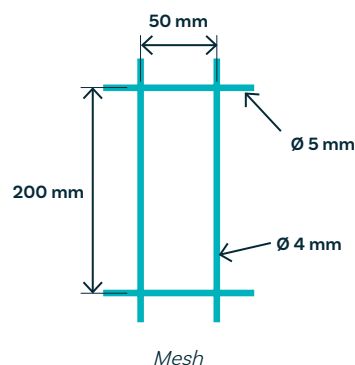

This panel is ideal for long lengths.
