

FLAT SECURITY PANEL

The product

Flat security panel is the ultimate anti-vandalism barrier!

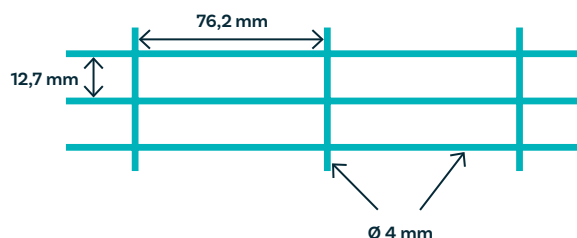

Its particularly tight and narrow mesh makes climbing and breaking in impossible, without obscuring the view.

A panel that is both discreet and dissuasive, suitable for sensitive sites such as prisons.

Characteristics

Zincalu ● Galvanised ● Green 6005 ● Grey 7016 ● White 9010 ○

- Panel height : up to 5 m
