

BACALAN ALUMINIUM GATE & SIDE GATE

The product

The Bacalan aluminium gate has a touch of originality thanks to the micro-perforated metal sheet at each end.

Combined with long solid slats made of high-quality aluminium, it guarantees a stylish, sturdy, and durable gate. Bacalan gate is available in swing and sliding versions with a matching side gate, with or without motorisation.

Characteristics

Grey 7016 ●

- R5T8 micro-perforated metal sheet
- Available as a side gate, swing gate and sliding gate
- Can be motorised
- Optional metallic posts (not pre-drilled) :
 - For side gates : 100 x 100 mm to seal
