

BEKAFIX POST

The product

Bekafix post is a professional tubular post with an H-shaped profile, galvanised inside and out and plastic coated, compatible with a wide range of fence panels, including 3D essential and 3D+, as well as ZENTURO and DOUBLE WIRES.

It's equipped with a safety fixing system with plastic-coated metal clips. Three pre-drilled holes allow the insertion of self-locking screws.

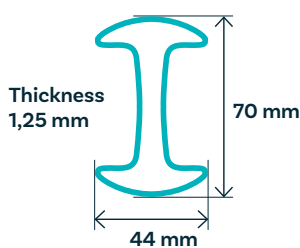

Available in a wide range of colours and with multiple accessories, it adapts perfectly to all types of fences.

Characteristics

Grey 7016 ● Green 6005 ● Black 9005 ● White 9010 ○ Others colours upon request ●
