

RÉSID CLIPS POST

The product

Compatible with a wide range of panels, Résid Clips post can be integrated into all types of fencing. It's installed using plastic-coated metal clips and three pre-drilled holes for self-tapping screws, ensuring secure fixing.

A welded H-shaped tubular post, it's galvanised inside and out and plastic-coated for long-lasting protection. Available in several colours, it's ideal for professional installations.

Characteristics

Grey 7016 ● Green 6005 ● Black 9005 ● White 9010 ○ Other colours upon request ●

- Welded H-shaped tubular post
- Post section : 69 x 43 mm
